

Friday 6th March 2026

Dear Parents,

What is not to love about this week? The weather has been a little warmer (despite the snow today!) The children have been working hard and yesterday, we had the most wonderful World Book Day!

As mentioned previously, we have a whole school trip to Cogito Books arranged on Thursday 12th March

PCC Questionnaires

in light of Rev. Andrew Patterson retiring in July, a questionnaire was recently given out to all children asking how the church can best support children, families, staff and the wider community going forward. Thank you to those of you who have returned their questionnaires, if you haven't as yet, we would be grateful if you could by Monday.

B4RN Broadband

B4RN Fibre Broadband could be coming to Hexhamshire. At 1000mbps upload and download speeds this will be so much faster than the current speeds most families and businesses can access. The project is predominantly government funded but is subject to enough properties expressing an interest on the B4RN website:

www.b4rn.org.uk/. By expressing an interest in B4RN you are not signing up to a contract, you are just helping the project progress to the next stage. B4RN is a community benefit organisation and if it gets the go ahead in Hexhamshire, they will provide free broadband to the school, village hall and church. Claire Nixon is involved with the community volunteer team taking this forward so please let her know if you have any questions.

Clubs this half term

Monday – Lego Club with Miss Ord
